

UNIVERSAL ROLLOUT AWNING CLOTHESLINE

The Universal Rollout Awning Clothesline makes laundry easy-breezy, no matter where you are.

The Aussie Traveller Universal Rollout Awning Clothesline provides an easy and effective solution to hang washing without damaging the awning.

Simply attach the clothesline using the quick-lock clamps onto your awning and you're ready to go. The quick-lock clamps eliminate the need for additional fixing holes in the awning frame while keeping the line firmly in place no matter what size your awning arms are, no drilling required!

Thanks to its innovative and adjustable universal brackets, the clothesline is compatible with most rollout awnings, fitting both square and round awning arms from 20mm to 35mm. With 25m of line supplied, it provides 3 lines on awnings up to 25'.

With no complex installation, the clothesline is easy to set up and pack away as needed on your travels. The included carry bag helps to keep it tidy when in storage.
