

## 6.5" SLIMLINE TWO-WAY SPEAKERS

For superior sound quality in your caravan, look no further than the Aussie Traveller 6.5" Slimline Marine Grade Two-way Speakers.

Featuring marine grade water resistance, the speakers are designed to be used as either interior or exterior speakers.

These two-way speakers with tweeter provide excellent sound while looking sleek on the walls thanks to the slimline profile and make listening to your favourite music a delight.

Both black and white colourways are designed to match all interior and exterior styles as both colours are interior and exterior speakers.

All necessary screws are included for easy installation.

### FEATURES

- Marine grade water resistance
- Interior & exterior compatibility
- 100W maximum power
- Slimline profile
- 6.5 inch size
- Includes mounting kit
