

MAXxAIR

Experience fresh air & improved ventilation without compromise

MAXXFAN DOME

Rooftop or sidewall ventilation & moisture control in small areas

Maxxfan Dome Proudly Distributed in Australia and New Zealand By

Coast to Coast
CARAVAN & LEISURE

Introducing the MAXXFAN Rooftop and Sidewall Ventilation Fan – a compact 12V solution that offers superior ventilation and moisture control for small spaces.

This 6-inch exhaust-only fan is an ideal choice for various applications, including RVs, bathrooms, and small living areas, providing excellent air circulation and moisture management.

Proudly compliant with Australian regulations, the MAXXFAN Dome presents a convenient solution that is both efficient, practical and offers great value for money.

What sets it apart from typical 365x365mm fan vents is its compact size, measuring just 216.1mm whether installed on the roof or the side, and with a mere 74.4mm height in profile when closed.

Operating the MAXXFAN Dome is effortless – a gentle push or pull on its large, comfortable handle is all it takes to open or close it. Experience enhanced comfort as the MAXXFAN Dome creates a refreshing atmosphere wherever it's installed.

Features

- Designed for rooftop or sidewall ventilation applications
6" exhaust only fan with manual lift lid
- Locking lid with single-hand push button operation
- Removable screens make cleaning a breeze
- Designed for 1" roof thicknesses - an extensions of up to 6" is also included
- Matching fan guard included.
Fan guard acts as a rain shield and protects your interior from weather and debris.
Additionally, the fan guard provides protection from accidental contact with the fan blades
