

WHAT IS BBQARM?

The ORIGINAL Swing Arm BBQ Table

BBQARM is the must-have caravan and travel accessory for your outdoor barbecues.

Australian designed and built on the Gold Coast, this space-saving innovation simply mounts to your caravan drawbar or rear bar to create a sturdy 'out of the way' place for your BBQ. Swing it away when not using.

With our new TOW-HITCH mount, use your BBQARM anywhere you travel with or without your caravan.

BBQARM Kits include mount, arm & tray
Overall kit weighs approx. 7.5kg.
When correctly fitted is rated to carry up to 30kg.
