

Mini Digital LCD Volt Meter

Off you go in your caravan, camper, boat or 4WD, ready for the good times and all hooked up with the appropriate battery system. But you need to make sure part of that system is a battery meter which lets you keep track of your battery voltage.

The Baintech Mini Digital LCD Volt Meter is the world's first DC LCD meter that can provide a direct read out with no polarity limitations.

With IP63 protection the BAINTECH Mini Digital LCD Volt Meter is suitable for harsh, wet, hot or dusty environments.

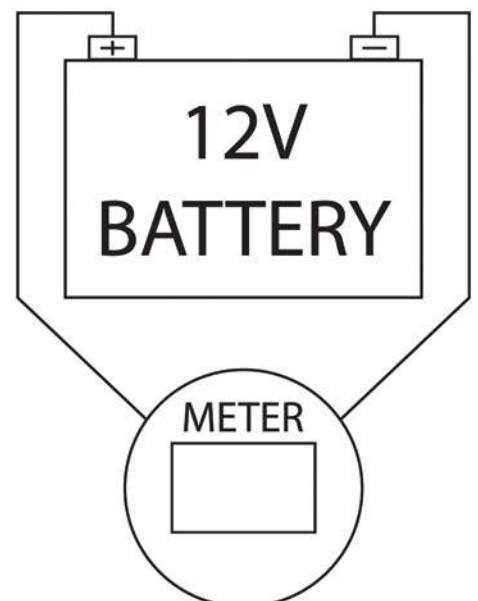

Features

- ✓ Back light ON / OFF control by changing polarity connection
- ✓ 36.5mm diameter panel mount suitable for 38mm diameter panel cut size
- ✓ Black High-Grade PVC casing with super clear display facia
- ✓ Meter suitable for all BAINTECH DC Power sockets surface mount casings
- ✓ 2 Year Warranty

Specifications

| | |
|--------------------------|----------------|
| Measuring voltage range | 10-20V DC |
| Operating Temperature | 0-50° |
| WaterProof rating | IP63 |
| Dimensions (WxHxD) | 36.5x36.5x21mm |
| Power Consumption | |
| Backlight ON | 8mA |
| Backlight OFF | 3.2mA |

Mini Digital LCD Volt Meter

BTDCM001 - Baintech LCD DC Volt Meter Flush Mount

- ✓ Single DC 12V LCD Volt Meter (Rated 10-20V DC)
- ✓ Comes with mounting plate

BTDCM002 - Baintech LCD DC Volt Meter Surface Mount

- ✓ Single DC 12V LCD Volt Meter (Rated 10-20V DC)
- ✓ Comes with high grade PVC surface mounting case

BTDCM003 - Baintech Dual LCD DC Volt Meter Surface Mount

- ✓ Dual DC 12V LCD Volt Meter (Rated 10-20V DC)
- ✓ Comes with high grade PVC surface mounting case

BTDCM004 - Baintech LCD DC Volt Meter and Merit Socket

- ✓ Single DC 12V LCD Volt Meter (Rated 10-20V DC)
- ✓ Single Standard Merit Socket (Rated 0-20V DC 15A)
- ✓ Comes with high grade PVC surface mounting case

BTDCM005 - Baintech LCD DC Volt Meter and Ciga Socket

- ✓ Single DC 12V LCD Volt Meter (Rated 10-20V DC)
- ✓ Single Standard Ciga Socket (Rated 0-20V DC 15A)
- ✓ Comes with high grade PVC surface mounting case

BTDCM006 - Baintech LCD DC Volt Meter and Engel Socket

- ✓ Single DC 12V LCD Volt Meter (Rated 10-20V DC)
- ✓ Single Standard Engel Socket (Rated 0-20V DC 15A)
- ✓ Comes with high grade PVC surface mounting case
