

SNATCH BLOCK

RBS11

The Bushranger® Snatch Block is engineered and field tested in Australia by 4WD enthusiasts with many years of experience. Further testing has also been carried out at a NATA accredited laboratory to verify the design.

Providing multiple options in self-recovery situations, the Bushranger® Snatch Block is a 4x4 essential for single vehicle recoveries using a winch. Increasing the winch's pulling power, a snatch block works to retrieve loads that are double a winch's capacity by halving the load on the winch, also aids winching from different angles when straight isn't an option. Designed with variable applications in mind, the snatch block incorporates a tapered pulley design that allows for multiple sized ropes to be used in the one product. Rounded edges assist with guiding the rope in and out of the Snatch Block but also prevents damage to both Synthetic and Wire Ropes.

Upswept tabs on the side plates offer additional rigidity but also allow for easy operation, even when wearing gloves. Selecting a recovery product that has too low a breaking strain may cause the product to fail during the recovery process. This could result in serious injury or death, and could potentially cause serious damage to vehicles.

Care and Maintenance

- Inspect before use for any damage, cracks or deformation.
- Ensure retaining circlip is in place and secure.
- If Choker hole elongates, the maximum capacity has been exceeded and the snatch block should be immediately replaced.
- Low maintenance, heavy duty oil impregnated sintered bronze bearing.
- Always clean using PH neutral soapy water after use and rinse with fresh water.
- Ensure snatch block is dry prior to being stored.

Warnings

- Never exceed the snatch block or wire rope capacity.
- Do NOT use this product if it is damaged in any way and always inspect prior to use.
- DO NOT use for lifting or towing.
- Safety of the user and others must be first priority. The user shall determine a safe distance for all persons in the recovery area and move them clear accordingly.
- Always wear safety gear when performing recovery, including gloves and glasses.
- Refer to your winch manual on how to use the snatch block when recovering with your winch.
- Persons intending to use this product should consider completing a nationally recognised four-wheel drive training course, or contact a four-wheel drive club for comprehensive advice on the proper selection and use of the recovery product.

Kingsley Products - Warranty Policy

1. Our Warranty

We warrant to you that the Kingsley product is free from defects in workmanship and materials for the warranty period.

2. Fitting and use

Please ensure you:

- a. fit the Kingsley product in accordance with the product information and all relevant vehicle safety and compliance laws
- b. use the Kingsley product for the purpose for which it was originally designed and in accordance with the product information and all relevant vehicle safety and compliance laws

3. Exclusions

Our warranty doesn't cover:

- a. normal wear and tear
- b. fitting the Kingsley product other than in accordance with the product information and any relevant vehicle safety and compliance laws, including incorrect fitting
- c. using the Kingsley product other than for the purpose for which it was originally designed or other than in accordance with the product information and any relevant vehicle safety and compliance laws, including unusual, improper or negligent use or misuse or overloading
- d. misuse or neglect of the Kingsley product, including improper repair or maintenance or failing to repair or maintain
- e. alteration, abuse, acts of nature, terrorism, vandalism, collision, road hazards or adverse conditions

4. Making a claim

Please immediately contact us as soon as you become aware of a possible defect in the Kingsley product. We'll arrange for you to either attend a Kingsley outlet (at your cost) for a Kingsley representative to inspect the Kingsley product (as fitted to your vehicle) or for you to return the Kingsley product to us. We'll also request you to provide the purchase receipt and complete a warranty claim form. In order to ensure our warranty is not voided, please keep the purchase receipt as proof of purchase and don't remove the fitted Kingsley product from your vehicle before contacting us. Note: Non-transferable warranty. The original purchaser can only claim warranty. If your claim's in order, we'll notify you and (at our sole discretion) either repair or replace the defective workmanship or materials (at our cost) or refund to you the purchase price you paid for the defective Kingsley product. If further information or investigation is required or if the claim does not meet the requirements under our warranty, we'll let you know.

5. Australian Consumer Law

The Kingsley product comes with guarantees that can't be excluded under the Australian Customer Law. You're entitled to a replacement or refund if there's a major failure and compensation for any other reasonably foreseeable loss or damage. You're also entitled to have the Kingsley product repaired or replaced if it fails to be of acceptable quality and the failure doesn't amount to a major failure.

6. Other consumer rights

The benefits to you under our warranty are in addition to any other rights and remedies you are entitled to under relevant consumer laws. Our warranty replaces any other warranty given by Kingsley or its supplier in respect of the Kingsley product.

7. Terms

The following terms have the following meanings:

Term	Meaning
