

PRODUCT INFO

DOMETIC CFF 35 PACK PORTABLE FRIDGE OR FREEZER, 34 L

The Dometic CFF 35 Pack features a double-sided opening lid, which makes it a versatile portable fridge/freezer that is user friendly, robust and easy to carry. It comes with a digital electronic control system and can keep its interior temperature as low as -18°C . Easily adjust the temperature of the CFF 35 according to the supplies you want to take on your trip. The CFF range was designed for a more effective use of storage space and temperature distribution, while the generous insulation helps to optimize cooling performance and energy efficiency. The CFF line is a perfect choice for an outdoor enthusiast seeking to upgrade from a traditional ice box. The CFF 35 Pack includes a protective cover to help keep dirt, dust, sand, moisture and water splashes off your fridge or freezer.

EASY ACCESS
DOUBLE SIDED LID
