Genuine Vanguard engine, electric start, petrol generator.

Crommelins generator petrol 8.0kw (max.) with hire-pack and electric start is the largest open-framed available. This generator will power large equipment with its genuine Vanguard engine.

Electric start allows an operator the simplicity of turning a key to start the generator. Hire-pack includes IP66 weatherproof outlets with RCD protection, two wheels, lifting bar/hook, and also fold-out transport handles.

This unit is site safe* and is ideal for hire, construction and worksites. It features a reliable petrol Vanguard engine, Sincro brushless alternator all built into a 32mm Australian fabricated heavy-duty steel frame. Assembled and tested in our Australian factory.

The reliable generator comes with a three-year Vanguard engine warranty and also has a two-year manufacturer's warranty. If you want to know more, find your **local dealer** for a quote.
