WHY CHOOSE A CROMMELINS PRESSURE CLEANER

High quality pressure cleaners for the Trade, Commercial and Industrial markets.

Crommelins Petrol, Diesel and Electric Powered high-pressure cleaners are power packed to rapidly and effectively wipe out all the washing, degreasing, descaling and disinfecting problems that are part of every working day in commercial and industrial situations.

For the home: Strip paint flakes off exterior walls and garden furniture, bring brick paving and limestone back to new after winter, wash grease and oil from driveways, clean gutters and pergolas.

For industry: Clean agricultural equipment and other machinery, remove paint flake, use them for any job where high pressure water cleaning is needed.

AR BLUE CLEAN

Crommelins are the distributors for AR Blue Clean.

AR BLUE CLEAN is the trade mark of Anнови Reverberi an Italian manufacturer famous for their innovative range of quality and reliable domestic, industrial and commercial High Pressure Cleaners.

Annovi Reverberi has been producing high pressure pumps for Industrial, Hire, Agriculture and DIY Industries since 1958, manufacturing over 1 million high quality pumps per year. Crommelins is now a chosen Australian representative of AR, a formidable team, both 54 years strong! As with our commitment to high quality products, all AR pumps are manufactured using high quality alloys, brass, stainless steel and ceramics ensuring performance and longevity.

Crommelins presents a full range of Trade, Light Industry, Industrial and Commercial Italian made Pressure Cleaners, that are electric (single and three phase) powered, a wide variety of accessories and spare parts.

AR Blue Clean Pressure Cleaners have a 12 month manufacturer's warranty and are supported with Crommelins award winning backup and service.

THE PUMPS

Quality and Reliable Pumps

All Crommelins and AR Blue Clean Pressure Cleaners are fitted with quality AR pumps.

There are two types that are used;

1) The **Triplex Pump** is fitted with a Brass Manifold resists corrosion and extends lifespan, it has a connecting rod system, with ceramic* or stainless steel* plunger (pistons) and a 2:1 reduction gear box. *Depending on model

2) The **Axial (wobble) Plate Pump** has a pressure relief valve and a forged brass manifold.

AR BLUE CLEAN ELECTRIC PRESSURE CLEANERS

High pressure cleaners specifically to all industries.

Commercial and Industrial: 1900psi to 2900psi electric powered, cold & hot water, stainless steel pressure cleaners come in both single and three phase power. Hot water is produced by large in-built diesel-fired boilers.

Rental Industries: 1900psi to 3600psi electric powered hot and cold water pressure cleaners come in both single and three phase power and can be customized to rental specifications. These units are simple enough for DIYers to use.

Trade: 1900psi to 2200psi electric units are tough enough for the everyday use of a tradesman, handyman or DIYer.

AR BLUE CLEAN AR620 COMPACT MODEL

Quality cleaning for domestic & commercial use.

The AR620 is a compact, powerful pressure cleaner that suits the Hire, Rental, Trade, Construction, Mining industries or any major industry.

Standard Features:

- HD gun
- Adjustable spray lance
- Rotopower turbo lance
- Detergent suction hose
- Water filter
- 1 Year warranty

Applications

- Shop fronts, Awnings
- Washing down workshops, patios and paving
- Caravans and RV's

CROMMELINS™ PRESSURE CLEANER ACCESSORIES

www.crommelins.com.au

21" SURFACE CLEANER

Stainless Steel

The 21" AF2101 best suits 3000psi (15L/min) or above pressure cleaners.

This surface cleaner is designed for fast cleaning time of driveways, warehouse, floors, large paved areas, etc.

It is easy to use, has minimal splash (ideal around buildings, shop fronts, paths) and is ergonomic in design.

Model AF2101

15" SURFACE CLEANER

This rotary surface cleaner will attach to the CPV Series Pressure Cleaners.

Model DPSY4004

BRASS TURBO NOZZLE

Speed up your cleaning by using the Turbo Nozzle. Perfect for use on paving, concrete and rough surfaces that are hard to clean with a brush.

SCRUBBER BRUSH

A small scrubbing brush to go onto the Adjustable Spray Lance. For scrubbing in tight areas.

Suits;
AR595A
AR620
AR767RLW

BRASS STEAM NOZZLE

Turns your Hot & Cold Pressure Cleaner into a steam cleaner (requires additional lance).

1L AUTO WASH & MP WASH

The 1L Multi Purpose Wash is for outdoor use.

The 1L Auto Wash is used for vehicles.

WATER FILTER

This filter prevents dirt particles entering the pump. It has a universal fit so it can be used with nearly any make of Pressure Cleaner.

Comes standard;
AR595A
AR620
AR767RLW

VARIOUS NOZZLES

There are 4 spray nozzles 0°, 15°, 40°, detergent available in a pack or individually for your CPV2700X17, CPV2700X21 and CPV3200H25 Pressure Cleaners.

SAND BLASTING KIT

Wet sandblasting kit is used for removing rust, paint, on metal or most hard surfaces.

ROTARY WASH BRUSH

Rotary wash brush with detergent tank to suit all cold water electric powered machines.

WASH BRUSH

This is designed to suit all cold water electric powered machines.

Suits;
AR595A
AR620
AR767RLW

SINGLE STEEL LANCE & HD GUN

Single lance used on Pressure Cleaners.

TWIN LANCE & HD GUN

Attaches to all Crommelins CPC range of cleaners.

UNDER BODY LANCE

The Underbody Lance is designed to get to hard to reach areas on vehicles, trailers, etc.

SUCTION HOSE KIT

Add the suction hose kit and use it as a pump!

The suction hose kit can be used for emptying small water features, ponds, fish tanks, etc.

Suits;
AR595A
AR620
AR767RLW

EXTENSION HOSE

Attached to all high pressure hose to extend length, various lengths available.

Industrial Power Products

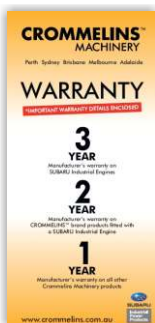

2013 SUPPLIER OF THE YEAR 2001 • 2003 • 2008 • 2009 • 2013

Crommelins is a preferred supplier to the Hire and Rental Industry and we are 2013 winners of the HRIA's Supplier of the Year Award. This Award comes with great esteem as it is voted for by members of the Association.

Crommelins has an Australian wide group of accredited Service Agents who can look after any warranty or service issues for all CROMMELINS and SUBARU powered products.

Crommelins has a large national Dealer network that can supply all of CROMMELINS and SUBARU powered products.

CROMMELINS Warranties

There are 3 different warranties which we outline in our Warranty Booklet, placed with every product.

3 year Subaru Engines Warranty
Subaru Industrial Engines come with a 3 year manufacturer's warranty.

2 Year CROMMELINS™ Warranty
CROMMELINS™ brand products powered by a Subaru Industrial Engine come with a 2 year manufacturer's warranty and a 3 year Subaru engine warranty.

1 Year Other Products Warranty

All other Crommelins Machinery products including flexible drive products and high pressure pumps come with a 1 year manufacturer's warranty.

CROMMELINS Quality Assurance & Testing

Every Crommelins brand product is test run to design specifications before leaving our premises and are backed by a national network of spare parts, service and warranty dealers.

Many products have been put together and tested in Australia and provide performance that you can rely on.

CROMMELINS Website www.crommelins.com.au

Our comprehensive website is filled with detailed information, photos, brochures, safety sheets, videos, manuals and is easy to use and navigate so you can quickly access information while a customer asks you questions.

Front-page with quick links, contact details, etc

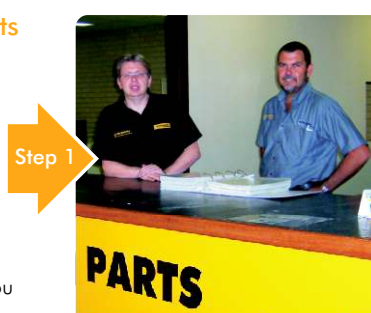

Model page, with Photos, specs, etc.

CROMMELINS Spare Parts

24 hour delivery to you for spare parts

Crommelins prides itself on having an excellent spare parts and service backup, that can deliver to you within 24hrs, 95% of the time. Your order gets picked, packed, air-bagged and is on its way to you the day the order is processed.
