

# DOMETIC CI ICEBOXES

Domestic Cool Ice iceboxes are perfect for any occasion where there is no power readily available. They will keep your ice frozen for days – up to ten days, depending on model usage and conditions. These robust iceboxes are ideal for continuous exposure to weather, especially on boats. The thick, refrigeration grade foam insulation and 'Labyrinth Seal Design' feature

contribute to longer lasting ice. Its rotomoulded design means there's no seams where heat can get in or cold can escape! Cool Ice iceboxes are also extremely strong, durable and easy to clean. The CI iceboxes come with strong ergonomic polyethylene handles that double as useful tie down points to secure the box.

**DOMETIC COOL ICE CI 42**  
Rotomoulded Icebox

- Generous gross capacity of 43 l
- Dimensions: 640 x 355 x 418 mm
- Thick insulation and unique sealing design means ice lasts longer
