

DOMETIC TAILGATER AIR INFLATABLE SUV AWNING

ULTIMATE FLEXIBILITY ON CAMPING ADVENTURES

The Dometic Tailgater AIR is an inflatable SUV awning that offers an extended space attached to the back of your vehicle. You can use it for day trips, weekend getaways or camping trips where all you want is a little bit of extra space and a roof over your head. The Tailgater AIR offers enough space to sleep two guests comfortably. There are doors equipped with quality flyscreens on all three sides so you can enter and exit as you please. It is easy to set up with the inbuilt designed AirPoles that simply need to be pumped using the 2 l pump that comes included. If you want to go for a drive, you can simply disconnect the awning from the vehicle and zip the Tailgater closed. It's easy to carry anywhere and only weighs 12.27 kg.

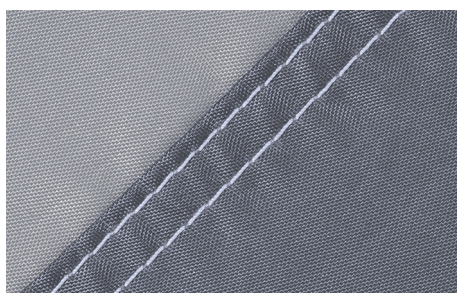

- Universal fit inflatable SUV awning
- Multi-point AirPoles with a detachable spreader pole for the roof
- Weathershield™ 68D material
- Easy to set up
- Durable and water-resistant
- Drive-away freestanding awning
- Removable footprint

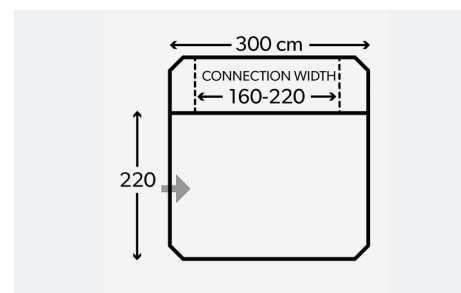

MULTI POINT INFLATION

Durable AirPoles are inflated individually for the simplest set-up and take-down

WEATHERSHIELD™ 68D

Super lightweight 68D polyester is easy to handle, durable and water-resistant

FLOOR PLAN

Generous dimensions maximise the liveable space of your pitch
