

DOMETIC ZERO CONCRETE MEDIUM TABLE CAMPING TABLE

DON'T LET UNEVEN GROUND GET YOU DOWN

The Dometic Zero Concrete Table is a medium-sized camping table you will be able to rely on, even on uneven ground. The legs can be easily adjusted to suit the levels required on the ground. The fibreglass composite tabletop is ultra-lightweight, supported by an aluminium frame that can hold weight up to 30 kg. This table folds down compactly for easy storage and transport. Couples and groups will love taking this table camping, caravanning or to weekend events.

- Easy to fold and stow away
- Fibreglass composite concrete effect top
- Built to support a loading capacity of 30 kg
- Lightweight aluminium frame
- Adjustable legs allow the table to be levelled on uneven ground
