

HEAVY DUTY FRIDGE SLIDE

Essential for
every camp
set-up

Product Features:

- Designed for Australian conditions
- Black powder coated steel
- Up to 80kg maximum load capacity
- Comes in 2 sizes and suits a range of EvaKool fridges
- Purchase our heavy duty tie down straps

On the road to your next camping or 4WDing adventure? Access your food and beverages with ease with an EvaKool Heavy Duty Fridge Slide. Our sturdy design means that you won't have the hassle of dragging your fridge in and out of your set-up. With a sleek black powder coated steel finish, the fridge slide will not only keep your fridge secure but it will withstand the harsh Australian environment.
