

VERSALITE SERIES - 1" PUMPS

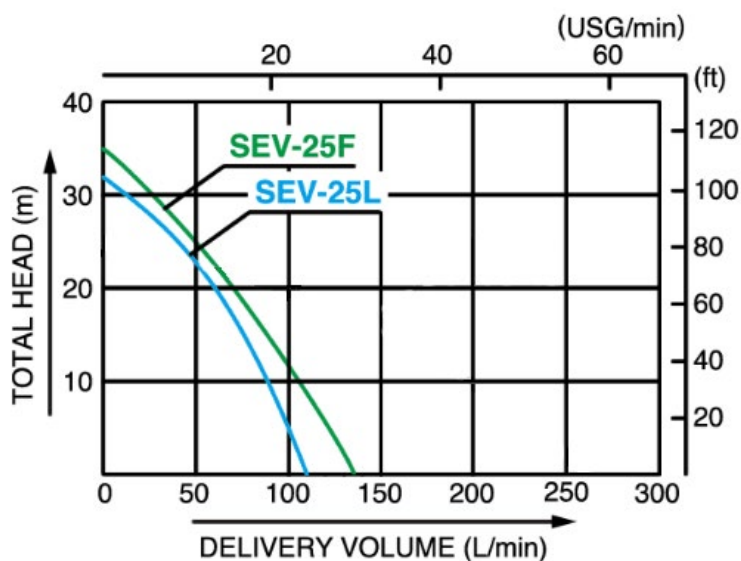

The "VERSALITE" Series are all round engine driven pumps, ideal when portability is important. Available in 2 or 4 stroke options, these units are lightweight and powered by genuine KOSHIN engines. Easy to start, the Versalite series bursts with power and performance to meet those water transfer, site pumping or fire fighting needs - the uses for this Series are endless.

FEATURES

- Rugged and lightweight.
- Recoil start.
- Hose fittings and strainer.
- Japanese quality.
- Low noise levels.

APPLICATIONS

- Garden / irrigation.
- Water transfer.
- Portable quadbike or ute packs.
- Diesel fuel transfer.

KOSHIN performance ratings are guaranteed minimums, not inflated maximums.
