

SEAFLO 45 PSI WATER PUMP

A compact 45 PSI, 11.6 LPM pump suitable for camper trailers and caravans.

Part Number

SFDP1-030-045-33

SEAFLO[®]

DEVELOPMENT

Camper trailers and caravans require reliable and compact pumps to introduce and discard water.

SOLUTION

The SEAFLO water pump is a miniature multi outlet water pressure pump made to a very convenient size for your camper trailer.

BENEFIT

SEAFLO's 12V water pressure pump has an in-built adjustable pressure switch making it easy to control your water pressure. It's compact size allows for easy installation in a variety of applications.

EFFICIENCY

Automatic demand water system pump which starts and stops automatically when the faucet is opened and closed.

A VERSITILE COMPACT PUMP

A 12V water pump, with low current draw making it perfect for the sink in a camper trailer or caravan. It provides reliable performance in high water flow and moderate pressure applications.

This 3-chamber diaphragm pump provides up to 11.6L per minute and is capable of self-priming up to 1.8M vertical metres, and can run dry without damage. Serves 3 or more 1/2" (13 mm) outlets.

This automatic demand water system pump has a built-in pressure switch, which automatically starts and stops when the faucet is opened and closed.

FEATURES

Maximum power draw 8A

Self priming pump

1/2" inlet/outlet

SPECIFICATIONS

Depth: 270mm

Width: 150mm

Height: 140mm

Weight: 2.3kg

Rotation: CW

Current: 8A

Hose/line size: 12mm

Volume (LPM): 11.6

Input voltage: 12V

Warranty: 2 years
