

sphere™ AUTOMATIC MINI WASHING MACHINES

The need to wait your turn to use the caravan park laundry is over because you are now able to travel with fewer clothes and do your laundry at your convenience.

Available in two sizes, the Sphere Automatic Mini Washing Machines have 5 cycle settings. From a wash-rinse-spin cycle (approx 38mins) to a simple spin cycle (approx 7mins).

AUTOMATIC MINI WASHING MACHINES

Wash settings are set via the easy to use control panel. These washing machines are suitable for cold wash only but has the versatility of having the drainage hose outlet on either the left or right hand side of the machine.

BENEFITS

- › Has a newly designed carry basket with locking clips
- › Has an 'out of balance' sensor
- › Stainless steel wash tub
- › Now features rubber hoses with stainless steel "screw" clamps
- › Durable lint filter similar to domestic standards
- › The time display shows time remaining in the cycle or in event of an error, it shows the fault code
- › Has an Auto Power Off function - at the end of your selected washing cycle, a buzzer will sound up to six times before turning the power off
- › You can select your water level usage (depending on your load size), which saves your water and detergent! The 2.6kg has two level settings whilst the 3.3kg has three level settings.
